

Canadian Sociological Association Conference: Abstract Submission Instructions

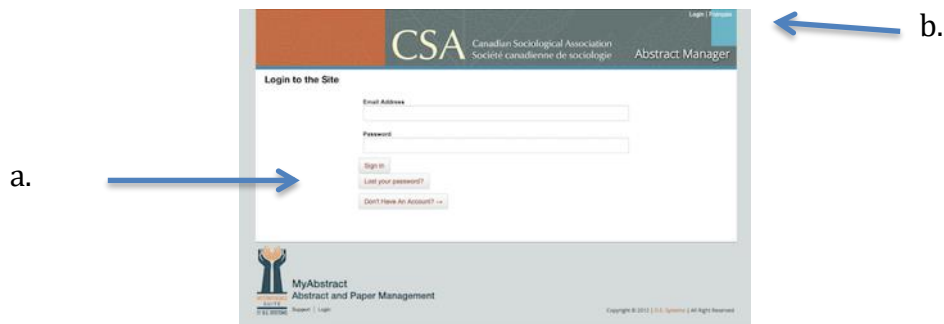

Submit your abstract or expression of interest in participating in a panel online using the steps below.

Please ensure that you have reviewed the Abstract submission and Presenter Guidelines at <https://www.csa-scs.ca/conference/call-for-abstracts/>

1. Visit the Conference abstract submission system

<https://events.decorporate.ca/CSACongress2022/abstract/>

- a. Log in or create an account
- b. A French form is also available

2. Select 'I am an author'

then

'Submit an Abstract'

Once you have submitted an abstract, you can log into the system to edit or check on the review status (if it has been approved or declined).

3. Select a session

Click the drop-down menu to view sessions open to abstract submissions.

An abstract may only be submitted to ONE session. If that session cannot accept the abstract for presentation, you have the option of contacting the Canadian Sociological Association for possible consideration by another session (office@csa-scs.ca).

Feel free to contact the organizer(s) before submitting your abstract to discuss whether your research/paper would be a good fit in their session. Contact details can be found in the list of sessions posted on the website.

4. Agree to the Copyright Notice

Copyright Notice*

Authors who submit abstracts to this conference agree to the following terms:

a) Authors retain copyright over their work, while allowing the conference to place this unpublished abstract under a Creative Commons Attribution License, which allows others to freely access, use, and share the work, with an acknowledgement of the work's authorship and its initial presentation at this conference.

b) Authors are able to waive the terms of the CC license and enter into separate, additional contractual arrangements for the non-exclusive distribution and subsequent publication of this work (e.g., publish a revised version in a journal, post it to an institutional repository or publish it in a book), with an acknowledgement of its initial presentation at this conference.

c) In addition, authors are encouraged to post and share their work online (e.g., in institutional repositories or on their website) at any point before and after the conference.

The authors agree to the terms of this Copyright Notice, which will apply to this submission if and when it is published by this conference (comments to the session organizer can be added below).

5. Enter Author Information

We now have different categories for authors.

You will require; full name, affiliation, and email address for each author. We also request professional status information for authors and co-authors for communication and statistical purposes.

Author

Be sure to enter all paper authors below and [refer to our website](#) for participation requirements.

 No author associations exist for this submission. Please add author information by selecting from the options below.

Principal author

It is assumed that the principal author will also present at the Conference.
Fields marked with a * are required.

* First Name

* Last Name

* Email

URL

* Affiliation
Academic institution or organization.

If you have submitted an abstract in the past, some information may be available under 'Authors in my list'.

6. Enter Abstract title and description

Presentation Title*

Test title

Abstract*

300 word limit

7. Indicate the status of your research and paper completion

These questions are not applicable to those expressing an interest in participating in a panel. Those submitting an abstract for presentation must indicate the status of the research as well as the completion date of the final paper.

The screenshot shows two sections of a form. The first section is titled 'Submission Research Status*' and contains the following text: 'Information required: Please indicate the current status of your research.' Below this are three radio button options: 'Not applicable', 'The research for this submission is complete', and 'The research for this submission is ongoing'. The second section is titled 'Research Paper Status*' and contains the text: 'Information required: Please indicate the completion date for your research paper.' Below this are three radio button options: 'Not applicable', 'Paper is complete', and 'Paper is expected to be completed after May 1, 2020'. A third option, 'Paper is expected to be completed on or before May 1, 2020', is also present but partially obscured.

8. Complete the remaining fields and 'Submit'

The screenshot shows three sections of a form. The first section is titled 'Presentation Language' and contains two radio button options: 'English' (selected) and 'French'. The second section is titled 'Supporting Agencies' and contains the text: 'Identify agencies that provided funding or support for the work presented in this submission.' Below this is a text input field labeled 'Agencies' with the placeholder text 'Testing agencies'. The third section is titled 'Comments for Session Organizer' and contains the text: 'Please enter text below (Optional)'. Below this is a text input field labeled 'Testing Comments'. At the bottom of the form is a 'Submit' button and a note: 'Account users will receive confirmation and follow up communications. * Indicated fields are required.'

9. The submission is complete

You are unable to edit the submission. Please contact us to correct an error or resubmit.

An automated submission confirmation email will be sent to the email address used to create your account.
