

Job title	Senior Research Fellow / Research Fellow	Job family and level	Research and Teaching Level 5 (Senior) / Level 4 (Fellow)
School/ Department	School of Sociology and Social Policy	Location	University Park Campus

We are now recruiting a Senior Research Fellow or Research Fellow to join Dr Philippa Tomczak's prestigious £1.3m, five year European Research Council Starting Grant RECEDE: 'Regulating Criminal justice DETention: global prospects for improving health and safety in detention and society'.

Strong theoretical and writing abilities are essential and all candidates must already hold a PhD (awarded, not subject to major revisions). **The successful applicant will be outstanding in one or more of the following areas:**

- ability to apply processual ontologies (e.g. actor-network theory, assemblages) and /or
- research experience of criminal justice/ psychiatric/ immigration detention) and / or
- ability to apply theories of regulation and governance.

Candidates can apply [here](#) and direct questions to philippa.tomczak@nottingham.ac.uk.

This project benefits from proximity to Dr Tomczak's seven year UKRI Future Leaders Fellowship and international [prisonHEALTH](#) research group, along with its location within the School of Sociology and Social Policy.

The contract for this post will be offered for four years, with strong potential to extend.

Dr Philippa Tomczak
