

The [Urban Sociology research cluster](#) is now accepting submissions for our Best Conference Student Paper Award. The paper should be sociological work that seeks to understand human interactions and institutions in urban areas. This includes research on topics that explore the various interrelated dimensions of cultural, economic and social life in cities that embrace empirical, theoretical, or methodological perspectives. One recipient will be selected from among all papers submitted.

### **Equity Statement:**

The CSA is committed to the values and principles of equity, diversity, inclusion, and decolonization (refer to our [Operating Standards and Principles on Equity](#)). We recognize and honour the intersectionality of equity-based identities and therefore invite and encourage the nomination (including self-nomination) of members from marginalized groups, including Indigenous peoples, racialized persons, persons with disabilities, persons who identify as women, and/or 2SLGBTIQ+.
